

COLLEGE STUDENT AID COMMISSION[283]

Notice of Intended Action

Twenty-five interested persons, a governmental subdivision, an agency or association of 25 or more persons may demand an oral presentation hereon as provided in Iowa Code section 17A.4(1)“b.”

Notice is also given to the public that the Administrative Rules Review Committee may, on its own motion or on written request by any individual or group, review this proposed action under section 17A.8(6) at a regular or special meeting where the public or interested persons may be heard.

Pursuant to the authority of Iowa Code section 261.3, the Iowa College Student Aid Commission hereby gives Notice of Intended Action to amend Chapter 8, “All Iowa Opportunity Scholarship Program,” and to rescind Chapter 9, “All Iowa Opportunity Foster Care Grant Program,” Iowa Administrative Code.

The proposed amendments reflect changes to Iowa Code sections 261.6 and 261.87 enacted in 2017 Iowa Acts, House File 642, sections 43 and 47. Section 43 rescinded the All Iowa Opportunity Foster Care Grant Program, and section 47 includes eligible foster care students as priority recipients under the All Iowa Opportunity Scholarship Program, eliminates the grade point average requirement, and increases the number of awards a student may receive.

Interested persons may submit comments orally or in writing by 4:30 p.m. on July 11, 2017, to the Executive Director, Iowa College Student Aid Commission, 430 East Grand Avenue, Third Floor, Des Moines, Iowa 50309-1920. Written comments also may be sent by fax to (515)725-3401, by e-mail to julie.leeper@iowa.gov, or via the Iowa administrative rules Web site at <https://rules.iowa.gov>.

The Commission does not intend to grant waivers under the provisions of these rules.

After analysis and review of this rule making, the Commission finds that there is no impact on jobs.

The commission has adopted the use of the Free Application for Federal Student Aid (FAFSA), a federal form used to calculate a formula developed by the U.S. Department of Education, the results of which are used to determine expected family contribution. Relative need will be ranked based on the applicant’s expected family contribution (EFC) provided by the U.S. Department of Education. The FAFSA must be received by the processing agent by the date specified ~~in the application instructions~~ by the commission.

“Full-time” means enrollment at an eligible college or university in a course of study including at least 12 semester hours or the trimester or quarter equivalent.

a. All eligible new and renewal foster care students will receive first priority for funding. Awards to eligible foster care students will be made based on EFC levels within the parameters defined by the commission, with students in the lowest EFC levels awarded first and at increasing EFC levels until the maximum EFC level is reached. If all students in a given EFC level cannot be funded, students will be ranked according to the date the state application was filed.

~~*a. b.*~~ All eligible renewal applicants will ~~be funded prior to new applicants~~ receive second priority for funding. Awards to renewal applicants will be made based on EFC levels within the parameters defined by the commission, with students in the lowest EFC levels awarded first and at increasing EFC levels until the maximum EFC level is reached. Awards will be made to students in this category based on EFC levels within the parameters defined by the commission, with students in the lowest EFC levels awarded first and at increasing EFC levels until the maximum EFC level is reached. If all students in a given EFC level cannot be funded, students will be ranked according to the date the state application was filed.

~~c. b.~~ The maximum award for a full-time student will not be affected by the ranking system used to prioritize grants. A part-time student will receive a prorated award, as defined by the commission, based on the number of hours for which the student is enrolled.
